Established in 1996.
Agency participates in several Intelligent Energy Europe projects. It runs regional RES advice office.
BAPE has vast experience in energy auditing, financial engineering, RES implementation, energy planning and education.

BIOMASS ACTION PLAN FOR POMERANIA

Draft version of the biomass action plan has been prepared and discussed at the meeting with regional stakeholders, that took place on 20th January 2009 at the Pomeranian Marhall’s Office. Now, the project entered consultation phase around the region.
SCHOOL COMPETITIONS

Two rounds of school competitions have been already organised by BAPE. The first one was a creative competition addressed at primary schools. The second one was photographic competition addressed at junior high schools. Altogether 12 schools have participated, sending 56 contributions.

REGIONAL PELLET DAYS (in Pomerania & Warmia-Mazury Regions)

Two rounds of the event have been already organised, attracting about 250 visitors.
